

Supervised Parenting

This program helps facilitate positive interactions between parents and their children in a safe, supervised setting to help build positive relationships.

Family Pathways (VOCA)

Family Pathways provides supervised visitation, with no fees, to families where there have been allegations of intimate partner violence, and/or sexual abuse.

Therapeutic Supervised Parenting

Supervised visitation conducted by a therapist to help establish parent-child relationships and resolve conflicts.

Programs & Services Garden City Location

Substance Abuse

Substance Abuse Assessment

An assessment designed to determine if there is a diagnosable substance abuse issue. If applicable, a referral will be made for the most appropriate type of treatment. Drug screen is included.

Drug Screenings

Fee: \$20 per screen

- + Growth Works is licensed by the State of Michigan as a substance abuse service provider, and its chemical dependency services and youth assistance programming are accredited by the Joint Commission for Accreditation of Healthcare Organizations.**
- + Since 1971, Growth Works has provided innovative programs to meet the needs of the community it serves, including evidence-based treatments and solutions for a range of substance abuse challenges.**

Parent Engagement

Parent Engagement Workshops

Parent Engagement Workshops are a weekly forum conducted by experienced staff for parents/caregivers to receive information on important topics, and learn practical skills that can be applied to everyday life.

We believe that strong families are critical to the development of strong communities.

Parent Engagement

Diversion Parent Engagement Workshops

A weekly forum for referred parents/caregivers experiencing youth exhibiting at risk behavior. Participants receive vital information and learn practical skills essential to healthy parenting and relationships.

Parent Group

A weekly group for parents/caregivers to receive support and important information on various educational topics, such as the effects of substances on teens and self-care.
